

# Agreement of Compliance

In an effort to maintain the integrity and professionalism of the EA International Championship, USASF has established a code of conduct. It is our goal to offer a positive event where good sportsmanship is the major theme and all rules are followed. The USASF member event producers fervently encourage and support fairness, integrity and sportsmanship among all athletes in all facets of dance and cheerleading, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities and believe that coaches/club owners are instrumental in promoting and instilling this among their respective team members.

## Safety

- I understand that cheerleading and dance are competitive activities, which requires proper training techniques for all athletes under my direction.
- I attest I have been properly trained in basic cheer techniques, proper skill progression and safety precautions.
- I understand it is my ethical duty to put the interest and safety of my athletes first and not to put athletes under my direction at risk unnecessarily.
- I understand that only USASF coaches who meet requirements for eligibility in the USASF member system are permitted in the warm-up areas at the EA International Championship.
- I understand that only USASF member athletes may compete at the EA International Championship.

## Sportsmanship

- I will support the EA International Championship outcome and represent my club with integrity, including on social media.
- I will display good sportsmanship and require such of my athletes and parents/families of competitors, including on social media.
- I understand my position as a role model for my team and will conduct myself in a professional manner at all times; and I understand that my behavior is subject to disciplinary action if it violates the USASF Code of Conduct.

## Hotel, Resort Guidelines

- Smoking and/or the use of alcohol by an EA International Championship athlete is prohibited. An athlete in violation of this rule is subject to immediate disciplinary action which may include ineligibility for the current EA International Championship competition. If the violation occurs after the athlete competes, yet during the event time frame at any EA International Championship event location the incident will be reviewed by the USASF Compliance Committee and may result in but not limited to restriction of membership or future participation in the EA International Championship.
